

DEVELOPMENT LAYOUT

When designing Keepers Green, our award winning architects were commissioned to place people at the heart of this new neighbourhood. One and two bedroom apartments for first time buyers, professionals, retirees or downsizers, townhouses, three and four-bedroom detached and semi-detached homes for local couples, growing families or those new to the area: Keepers Green will become a multi-generational neighbourhood with a real sense of pride in their community. The picturesque tree-lined setting with its locally-inspired character homes and communal cricket ground blends seamlessly with its green surroundings, creating a traditional village feel, with a thriving city centre close by. Keepers Green offers people a chance to lay the foundations for a secure, happy future, a delightful new address for generations to come.
